Dear Mr. Horton:

This letter is in response to the Federal Election Commission's request for more information.

- Schedule A - Due to a data entry error, an inkind contribution from National Committee for an Effective Congress in the amount of \$2500 was reported as a memo. This error has been corrected. You will see that our donation total on the detail summary page has increased by \$2500 and consequently so has our cash on hand. See Schedule A and amended detail summary page.

- Schedule B - All itemized disbursements have been updated with the proper address. See amended Schedule B.

- Schedule B - We have added memo entries for reimbursements to individuals with aggregates in excess of \$200. Please see amended Schedule B.

- Schedule A - Three contributions appeared to exceed limits set forth by the FEC.

1. A contribution from Rangel for Congress was reported incorrectly: We should have reported a \$1000 contribution for the primary and a \$1000 for the general. Please see amended schedule A and photocopy of a letter from Rangel for Congress dated December 10.

2. A contribution from Charlotte Spitzer did exceed limits for the primary election. Since more than sixty days have passed since the contribution, Citizens to Elect Rick Larsen has refunded the money to Mrs. Spitzer. Please see Schedule A and a photocopy of the refunded contribution check
